Happy New Year Udmurtia Prayer Partners. . .

The photo below shows one of the busiest areas in Udmurtia. . . the Central Square in Izhevsk. Of course at 2am it's not so busy, but that changes with the arrival of the sun. The snow has started and people are getting settled into their winter routines. Most of the people that pass through this area will go through their entire lives and never give a thought to what most of you just celebrated. . . the birth of Jesus Christ and why He came.

As you begin your plans for this new year of 2009, would you include this area in your prayers.

Pray for the people that work in the government offices surrounding this square. Pray for the decisions that are made that would affect the allowance of the gospel message to be proclaimed.

Pray for the people of all Udmurtia that do not know the Lord Jesus. Pray that teams going in 2009 will find many 'open doors' to share this good news.

Thank you for all of your prayer support in these past 3 years for HOPE4Udmurtia.

God bless you.
