

What Do You See...?
Mud and few people.
But...
What Does God See?

The photos above illustrate just a small portion of some of the things the Lord brought attention to for the vision team from North Arkansas. From left to right, the small church at Chur village with a huge heart desiring to reach theirs and other surrounding villages for Christ, an Udmurt family in Churavi entertaining

the Americans allowing the unbelieving husband to hear Jack share how he came to know the Lord, a wonderful Udmurt family leading a church in Yakshur Bodaya and evangelising neighboring villages, and an English speaking toastmaster club in Izhevsk meeting with the Americans around a 'kitchen table' asking questions of 'how did you decide to get into ministry?'

All of these are examples of the Lord opening doors for the April vision team that you were praying for. A gain thank you. These are now stepping stones for future missions efforts of a church planting movement in every village of Udmurtia.

Not only was a lady saved in Chur village, but many seeds of the gospel message were planted in many hearts. Your

prayers and God's grace opened many doors that we could not have entered otherwise. We were able to talk to people in small homes and villages, but also Udmurt State University, and a major vocational training school in Izhevsk.

It is really great to walk with the Lord and allow Him to show you what 'He sees' in those muddy streets, sometimes few people and over a million hungry hearts. From the April vision team... THANK YOU lord.

The English Foreign Language team is now complete. We have 13 people going in August 1 - 15, to work in Udmurtia with as many people as the Lord will bring us.

White River Baptist Association is being represented by Yellville First Baptist, FBC Mountain Home, Rea Valley Baptist, Eastside Baptist, Bull Shoals Baptist, and a group from North Carolina will join us in Atlanta.

Pray for attendance that many unbelievers will come to the English classes, and for the team as they prepare to teach. One of our team, Ms Edith Mitchell, 85 yrs young will be having surgery this month.
