Prayer Newsletter

Edition 17

Praise the Lord for our new additions to the Udmurtia VSC Strategy Team! We want to say a big thanks to Sharon Patton taking on the position as treasurer and accountant for the team. Also thanks to Nellie Yount for taking the work load of publishing the news and prayer needs, and to Jon Gilbert for joining the strategy planning arm of this work. Please pray for all of us as we seek God's direction and wisdom in how best to reach out to the people of the Republic of Udmurtia with the good news of Jesus Christ.

Tim Wicker & Sr. pastor Alexandar Popov will be welcoming our 'Leadership Training' team going to Izhevsk in January, '08.

White River and North Arkansas's associational missionaries, Maurice Hitt, and Royce Sweatman will be working with Russian and Udmurt new church leaders. Also going will be Bob Carr, a prison chaplain from Newport.

They will be teaching and helping identify leaders involved with new Bible study groups as well as new church starts.

We have been invited to help with two other sessions in March and May. Please remember this team in prayer.
